

# Looking for **Childcare?**

Play Dates Childminding offer excellent childcare in the comfort of a home based setting in a central location in Northwich. All Children at Play Dates are treated as individuals. I believe that children need to feel safe and secure when they are away from their parents so I provide a warm, welcoming and stimulating home environment. Within my setting the children are invited to make use of the ground floor which includes a dedicated play room, a quiet area for reading/homework, a mark making/arts and crafts area, home corner and a welcoming lounge area.

At Play Dates Childminding we understand the need to be flexible for parents/careers and this is one of the reasons why parents prefer choosing a childminder over other service providers. It's important for children to have the opportunity to learn and develop through different opportunities, we are not confined to one setting. We have the flexibility of being able to go to the library, play barns, the park, Zoo, safari and the beach. We also have our own Forest School attached to the setting. The children have lots of opportunities to be apart of our enrichment activities.

Opening hours are Monday to Thursday, 7:45am until 5:30pm.  
A later collection is possible but needs to be agreed.

We offer both full and part time care along with holiday cover, term time only contracts. We also offer before and after school care. We work with both Antrobus and Great Budworth primary schools. We look after children as young as 6 months right through to the end of Primary. We provide home cooked and nutritional food for all children who attend. For those that attend the before and/or after school a well balanced breakfast and hot evening meal is provided.
