Dear Parents

Here is the final newsletter for this half term, congratulating our special award children, alongside some reminders and thanks.

First, we have received a huge thank you from The Salvation Army for the harvest donations. They have told me that referrals for support from social services are 4 times greater than this time last year. Because they have food, toiletry and baby provisions, they can now use their community fund to provide needy families with gas and electric vouchers. So thanks to your generosity families in Northwich and Winsford can be both warm and fed as we move into the colder weather.

This reminds me of a verse from one of the hymns we sang at my church for Harvest.

Father providing  
Food for your children,  
By your wise guiding  
Teach us to share  
One with another  
So that, rejoicing  
With us, all others  
May know you care.

CCLI Licence No 124569

Thank you to those people who have used Sims Lite Parent App to update their data information. This vastly reduces the amount of paper used sending out what we have on the system for you to update and then send back for us to then print off again and file! It is vital we have all up to date info for you especially at the moment.

I would like to draw your attention to our Social Media Policy on the website and also to our Home School Agreement. Both are reminders that any comments about school and staff even when posted privately are no longer private and negative comments will be challenged.

As parents, you have the option to share your opinions via [www.parentview.ofsted.gov.uk](http://www.parentview.ofsted.gov.uk) and we have also set up a survey monkey to get a quick view of how you feel since we returned in September. The survey will take less than 5 minutes to complete and can be found at:-

<https://www.surveymonkey.co.uk/r/NKSDZVT>.

We would welcome your feedback for discussion at Governors' meetings. Another pathway for communication is Parents' Evening. We have risk assessed the options and feel the safest and easiest to deliver will be via telephone or Microsoft teams this term.

We are almost ready to launch our remote learning platform using Microsoft teams and parents' meetings will be a good way to trial it. Parents' evening options will be sent out on our first week back after half term.
