Dear Parents,

Welcome back to school. I hope that you have enjoyed your family time away from school. We spent our INSET day planning our next half term and training ready to introduce some more remote learning opportunities.

We would like to hold our telephone parent-teacher communications during week commencing 9th November 2020. This will take the form of a 10-minute telephone call. The focus of the conversation will be:

- How your child has settled
- To celebrate any successes
- To discuss any gaps that have emerged
- To discuss ways in which you can support at home

Please call or email the office with your preferred day, time and telephone number you would like us to use. **All requests must be made by Thursday 5th November.**
